<p>Communicate Manual 33 updates to impacted staff</p> 	<p>4/22/26</p> 	<p>PJM Members and Market Participants</p> 

- Manual revisions are being sought to memorialize agreed upon transparency provisions approved in September 2025 as part of the 202(C) Senior Task Force
- The package specified the following components used in the cost allocation for DOE 202(c) orders requiring resources to run beyond their requested deactivation dates to be publicly posted:
 - the total monthly credits to be paid to the resource
 - the total denominator used to allocate those credits as charges (e.g. Total Unforced Capacity Obligation MW)
 - the resulting rate

- Section 6.1 Market Data Postings

Supporting Data for 202C Cost Allocations: In order to provide transparency into cost allocations related to DOE 202(c) orders requiring resources to run beyond their requested deactivation dates, the total monthly credits to be paid to the resource, the total denominator used to allocate those credits as charges (e.g. Total Unforced Capacity Obligation MW) and the resulting rate shall not be considered confidential. This information may be publicly posted.
