
PJM Announcement Regarding the Nominating Committee

November 25, 2025

Dear Members,

The Nominating Committee is responsible for identifying qualified candidates for election to the PJM Board of Managers. The sector representatives this year are Susan Bruce (End Use Customers), Josh Ghosh (Generation Owners), Alex Stern (Transmission Owners), Noha Sidhom (Other Suppliers), and Kevin Zemanek (Electric Distributors). The Board members are Charlie Robinson (serving as the non-voting Chair), Vickie VanZandt, and Le Xie.

As the Nominating Committee prepares for the board election cycle, please note that Margo Loebl has been renominated for another term, Charlie Robinson will be retiring from the Board and Jeanine Johnson has decided not to seek another term.

We deeply appreciate the dedication and service of Jeanine and Charlie to PJM and the PJM community.

The Nominating Committee will be preparing a PJM Board-Position Profile document outlining the desired competencies and attributes, preferred experiences, and duties and responsibilities for the two PJM Board positions which will be posting in the coming weeks.
