

PJM Announcement Regarding the Nominating Committee

October 6, 2026

Subject: Board Election Update

Dear Members,

The Nominating Committee is responsible for identifying qualified candidates for election to the PJM Board of Managers. The sector representatives this year are Sean Chang (Other Suppliers), Michael Cocco (Electric Distributors), Jennifer Hohenshilt (Generation Owners), Clara Summers (End Use Customers) and Brooke Trammell (Transmission Owners). The Board members are Le Xie (serving as the non-voting chair), Bob Ethier and Matt Nelson.

As the Nominating Committee prepares for the Board election cycle, please note that Paula Conboy and Janet Dietrich will be seeking renomination. Vickie VanZandt will be retiring from the Board.

We deeply appreciate the dedication and service of VanZandt to PJM and the PJM community.

The Nominating Committee will be preparing a PJM Board-Position Profile document outlining the desired competencies and attributes, preferred experiences, and duties and responsibilities for the open PJM Board position, which will be posted in the coming weeks.
