

Attachment M-3 Update

Julia Spatafore
Transmission Planning
Planning Committee
May 6, 2025

- **Issue:** Request to add information on slides relating to other supplemental projects and baseline upgrades which may be in the electrical vicinity of the M-3 need being discussed (Item 40)
- **Status:**
 - PJM continues the development of mapping technologies including enhancements that provide location of projects at submittal of solution. In the meantime, PJM is continuing manual efforts due to higher priorities for the capital project portfolio.
