

Relay Subcommittee Charter and Relay Testing Subcommittee Update

Stan Sliwa, P.E.
Transmission Planning
Planning Committee
August 5, 2025

- Add clarity around participation requirements
 - Limited to PJM Member companies who are signatories to OA & are NERC registered TOs or GOs in the PJM region
 - Designated individuals from NERC and its Regional Entities (e.g. RF, SERC) are also permitted to attend
 - As needed, guest presenters may be permitted to attend for portions of the meetings as agreed to by the RS Members
 - CEI clearance required for meeting attendance and materials
- Adhere to M34 rules of procedure and code of conduct
- Align Charter to latest applicable NERC standards that involve the RS
- Add language surrounding relay testing work activities

- Fold the Relay Testing Subcommittee into the RS (sunset RTS)
 - Add language to RS Charter surrounding relay testing work activities
 - Leverage RS Special Sessions on an ad hoc basis to address relay testing needs
 - Maintain a relay testing contact list
