

# Secure Share Roadmap

Diane Gundrum, Sr. Analyst

Tech Change Forum  
October 13, 2026

Change to release date. Delayed due to pending additional application updates to support SSO authentication. Our team is working with the vendor on a resolution.

| Product - Action Required                                                                                                                                                                                                                                                 | Dates                                                                                                                                                                            | Who May Be Affected       |

## Single Sign-on Screen

The screenshot shows the PJM Single Sign-On interface. At the top left is the PJM logo and the text "Single Sign-On". Below this is a horizontal bar with a rainbow gradient. The main content area is titled "Sign In" in orange. It contains a login form with two input fields: "User Name" and "Password", followed by a "Log In" button. Below the button are links for "Forgot password" and "Register". At the bottom of the form is a "NOTICE" section with a detailed disclaimer about system security and user consent.
