

Reminder of Deadline for Interim Deliverability

June 26, 2025 IPS

Kyle Copeland

Interconnection Planning Analysis

- Interim deliverability studies are required for New Service Requests requesting to:
 - Begin service prior to contingent upgrades being placed in service
 - Begin service prior to the case year in which the project was studied
- Deadline for submitting interim deliverability study requests for the 2026/27 delivery year is 7/31/2025
 - Delivery year is defined as 6/1/2026 – 5/31/2027
- Requests must be made at <https://connect.pjm.com/InterimStudy>
- Reference:
 - May IPS - [Interim Deliverability Study \(IDS\) New Application Process and Updates](#)
 - [PJM Manual 14H](#) section 4.10.1
