Interconnection Projects

- Phase III closes on **September 19th, 2025**.
- Decision Point III starts right after the conclusion of Phase III, and runs concurrently with the Final Agreement Negotiation Phase.
 - Final Agreement Negotiation Phase and Decision Point III begins on **September 22nd, 2025**.
 - Prior to the Final Agreement Negotiation Phase, PJM will provide a draft interconnection related agreement(s) (GIA/WMPA/NUCRA/CSA) and post the Phase 3 Study Reports on the website.
- Before the close of Decision Point III, Project Developer can withdraw their request or continue in the cycle by providing and meeting DP#3 requirements. Those that do not meet the requirements will be withdrawn from the cycle.
- At Decision Point III, New Service Requests may not be changed or modified for any reason, except for Site Control modifications.
