My Email Lists

PJM uses a number of lists to send meeting notices, materials, voting or polling results, tool updates and reminders to stakeholders. To subscribe to a list, browse the topic categories and select the lists to which you would like to be added. Once you have made your selections, click the submit button. Selections will be processed within 10 minutes of submission. Do not attempt to resubmit the selection as this will overwrite the latest request.

If you don't see an email list in the *Available Subscriptions* box, you can update your subscription preferences via the [Email List Update form](#). Select the mailing list which you would like to be subscribed to or unsubscribe from.

Update roster members directly via Roster Managers or by accessing the [Roster Update Form](#) on PJM.com > Committees & Groups > Roster Update Form

Each member company can name up to four representatives, including one primary and three alternates.

The screenshot shows the PJM website navigation menu on the left with 'Roster Update' highlighted in an orange arrow. The main content area is titled 'Committees & Groups' and includes a description of PJM interconnection committees and groups, a 'Stakeholder Process Resources' section with links to a 'Committee Structure Diagram' (PDF), 'Manual 34: PJM Stakeholder Process' (WEB and PDF), 'Facilitation Feedback', 'Roster Update', and 'Subscribe to Stakeholder Group Email Lists'. A green button labeled 'Register for Meetings' is at the bottom.

The screenshot shows the 'Roster Update Form' page with the breadcrumb 'Home > Committees & Groups > Committees > Roster Update Form'. The title is 'Roster Update Form'. The text explains that roster update requests must be made through the 'Roster Request form' in the PJM Application, including requests to add or remove oneself from PJM stakeholder rosters. It notes that four representatives are permitted on each committee roster and provides instructions on how to request to be added to a roster. A link to 'My Email Lists' is provided at the bottom.

Reference the [Voting Tool Webpage](#) on PJM.com > Markets & Operations > PJM Tools > Voting

- Individuals authorized to vote on behalf of the member company must be included on the roster.
- Rosters also provide contact information for other involved stakeholders.
