IMM Package Information

- Packages B.1, B.2 and B.3 (IMM) are inter-related but are to be voted individually, so…
  - A vote for Package B.1 is an endorsement to only implement B.1 and nothing more
  - A vote for Package B.2 is an endorsement to implement B.1 in the short-term and then B.2 in the medium-term, but then to not implement the market clearing engine changes
  - A vote for Package B.3 an endorsement to implement B.1 in the short-term and then B.2 in the medium-term and then the remainder in the long-term
