

Stakeholder Comment/Question Process

David Anders

Sr. Director, Stakeholder Affairs

Sub-Annual Capacity Market Senior Task Force

September 18th, 2025

- The SACMSTF Issue Charge includes an Expected Deliverable regarding stakeholder comment/questions for the consultant performing the sub-annual market study:
 - “The consultant report should also include an addendum addressing written comments and questions from stakeholders, which PJM would solicit and deliver to the consultant prior to the report's completion.”
- Following each monthly SACMSTF meeting (September – November) a Qualtrics survey will be opened requesting stakeholder comments and questions in each of several topic areas. Survey will be open for 10 business days.
- Responses to each monthly survey will be posted (without attribution) on the SACMSTF page of pjm.com and will be provided to The Analysis Group.
