

Public Interest and Environmental Organizations User Group (PIEOUG)

May 13, 2026

10:15 AM -11:45 PM (EST)

PIEOUG Presentation to the PJM Board

- I. 10:15 – 10:25 AM Administration
(Kim Janas – Co-Chair, Consumer Advocate Co-Chair & Claire Lang-Ree – Public Interest/Environmental Organization Co-Chair)
 - a. Greetings
 - b. Roll Call

- II. 10:25 – 11:05 AM Environmental/ General Public Interest Presentations to the Board
 - a. Part 1: Getting Around Bottlenecks – Problem Statement: Supply cannot keep up with demand, driving reliability issues, skyrocketing costs, and political challenges. Solutions will be offered
 - b. Part 2: Legal Frameworks to Support Next-Era Planning: Co-optimization of Transmission, Generation, and Storage Interconnection

- III. 11:05 – 11:45 Consumer Advocate Presentation to the Board
 - a. Introduction
 - b. Affordability: PJM Does have a role in addressing affordability for the 67 million consumers in the region.
 - c. Transmission Costs: PJM’s tracking process fails to provide consumers with the needed information.
 - d. Stakeholder Governance: The 67-million consumers in the PJM region have very little input into the RTO’s electricity policy.
 - e. Wholesale Costs to Consumers – are Soaring (if time/Appendix)

- IV. 11:45 AM Wrap-up (Kim Janas/Claire Lang-Ree)
