Submitted via email (AskCR@hq.doe.gov)

PJM is submitting this daily report to comply with the DOE Daily Reporting requirement in Paragraph C of the August 19, 2026, Order No. 202-26-25A (DOE), which provides that:

If Wagner Unit 4 has been dispatched and operated in reliance on this Order, PJM shall provide the business day following the dispatch and operation, notification to the Department of Energy (via AskCR@hq.doe.gov). Such notification shall include information on levels of exceedance of the annual operating limit.

On November 16, 2026:

- Wagner Unit 4 started running under Order No. 202-26-25A at 00:00 through 24:00.
