Notice of Filing

Dear Secretary Reese:

This notice, being served on all parties to the above-referenced proceedings, confirms that on November 16, 2026, PJM Interconnection, L.L.C. made the following submissions:

Title	Docket No.	Description
PJM Proposal to Address Operational Requirements for Large Computational Load and Establish an Annual Transmission Service Reporting Requirement	ER27-522-000	On November 16, 2026, in Docket No. ER27-522-000, PJM submitted proposed Tariff revisions regarding ride-through requirements for Large Computational Load, other operational requirements, and an annual transmission service reporting requirement. PJM requested that the Tariff revisions become effective January 16, 2027.
PJM Proposed Tariff Revisions to Establish the Fast Energization Process and New Transmission Services Pursuant to Section 205 of the Federal Power Act	ER27-531-000	On November 16, 2026, in Docket No. ER27-531-000, PJM filed its Fast Energization Process and new Transmission Services proposal in response to the Commission's large load show cause order and in partial compliance with the co-located load order. PJM seeks a 60 day comment period, and requested a March 16, 2027 effective date for some of its filing, and an indeterminate effective date for those parts of the filing relating to the new planning processes.

and on Compliance with the Co-Located Load Compliance Directives		
Motion to Withdraw Co-Located Load Compliance Filing Given Overlapping Filing in Docket No. ER27-531-000	ER26-1479-002	On November 16, 2026, in Docket No. ER26-1479-002, PJM filed a motion to withdraw the August 17, 2026 co-located load compliance filing and terminate Docket No. ER26-1479-002 given the filing in Docket No. ER27-531. Motion answers due December 1, 2026. 18 CFR § 385.213(d)(1).

As explained in these submissions, the new and revised tariff records submitted in Docket Nos. ER27-522-000 and ER27-531-000 are responsive to and consistent with the preliminary findings made by the Commission in its June 18, 2026 *Order Instituting Proceeding Under Section 206 of the Federal Power Act* in Docket No. EL26-67-000,[1] and also comply with the Commission's June 18, 2026 *Order on Rehearing, Clarification, Compliance Filing and Paper Hearing* in Docket Nos. EL25-49, *et al*.[2]

Respectfully submitted,

/s/ Mark J. Stanisz
