PJM is submitting this daily report to comply with the DOE Daily Reporting requirement in Paragraph B of the August 21, 2026 Order No. 202-26-40 (DOE), which provides that:

To minimize adverse environmental impacts, this Order limits operation of dispatched units to the times and within the parameters as determined by PJM pursuant to paragraph A. PJM shall provide a daily notification to the Department (via AskCR@hq.doe.gov) reporting whether the Eddystone Units have operated in compliance with the allowances contained in this Order.

On November 12, 2026, Eddystone Unit 3 had no run hours. Eddystone Unit 4 started running at 0700 and continued through 10:23.

PJM understands from Constellation, and Constellation has authorized PJM to represent, that for operations on November 12, 2026, Eddystone Units 3 and 4 complied with applicable environmental requirements consistent with Order No. 202-26-40.
