Re: Withdrawal of Deactivation Notice

Dear PJM Generation Manager:

By way of letters submitted on May 28, 2024, and March 21, 2025, Elwood Energy LLC provided notice of its intent to deactivate Units 5, 6, and 7 (“Elwood CT 5-7”) of the Elwood Energy Facility by June 1, 2026 (“Deactivation Notice”). On March 6, 2026, Dairyland Power Cooperative (“Dairyland”) acquired Elwood CT 5-7 and intends to export capacity and energy from Elwood CT 5-7 to member cooperatives in the Midcontinent Independent System Operator region. Dairyland hereby withdraws the Deactivation Notice.

Respectfully Submitted,
