To whom it may concern:

Please be advised that NextEra would like to deactivate and decommission the Lee DeKalb Energy Storage project (FPL Energy Illinois Wind, LLC). Please be advised that the wind and energy storage project share a GIA, and this notice pertains only to the storage. Please see the relevant information below. Our proposed deactivation date is to be as soon as reasonably possible after PJM completes the reliability analysis and does not identify any reliability issues.

Plant Name: COM LEE DEKalb

Unit Name: LDBT3

Queue Number: AB2-132

Please let me know if there are any questions or if additional information is needed.

Thanks,
