

To whom it may concern:

Please be advised that NextEra would like to deactivate and decommission the Mantua Creek Energy Storage project (Energy Storage Holdings, LLC). Please see the relevant information below. Our proposed deactivation date is to be as soon as reasonably possible after PJM completes the reliability analysis and does not identify any reliability issues.

Plant Name: PS GLOUCEST BT

Unit Name: PRDSBT

Queue Number: X2-013

Please let me know if there are any questions or if additional information is needed.

Thank you,
