RE: Withdrawal of Deactivation Notice of Powerton, Waukegan, and Fisk

Dear Mr. Bryson:

On June 30, 2026, pursuant to Part V, Section 113 of the PJM Open Access Transmission Tariff ("OATT"), Midwest Generation, LLC ("MWG") submitted a deactivation notification of Powerton Units 5 and 6, Fisk CTs 31-34, and Waukegan CTs 31 and 32, effective January 1, 2030. On July 2, 2026, PJM, pursuant to the authority provided to it under the Illinois Climate and Equitable Jobs Act, and based on other identified justification, requested continued operation of the Units until May 31, 2031. On July 2, 2026, MWG agreed to PJM's proposed plan to support system reliability in the PJM Region.

MWG hereby withdraws the previously submitted deactivation notice.

Sincerely,
