

PJM Generation Manager,

Rockford Generation, LLC would like to request a withdrawal of the previously approved 6/1/26 deactivation of the three Rockford units below. In addition, we would like to request a new deactivation for these same units, effective June 1, 2027, as described below:

In accordance the PJM Open Access Transmission Tariff (“OATT”) and PJM Manual 14D, Rockford Generation, LLC hereby submits a request for deactivation of the units detailed below, effective June 1, 2027.

Unit	Capacity Resource Name	Capacity Resource ID
11	ROCKFORD CT 11	86262101
12	ROCKFORD CT 12	86262102
21	ROCKFORD CT 21	86262103

Rockford will also be submitting a Must Offer Exception Request with the PJM Market Monitoring Unit for the 2027/2028 BRA.

If you have any questions or require additional information, please contact Nathan Dixon, at 347-839-1408.

Sincerely,

Nathan Dixon
Vice President
