\*\*You will click “Submit Votes” on the final package screen and will receive a Validation pop-up to confirm your submission

- If you are missing any packages in the vote, you can click the “Check for New Meetings” button on the top, right side of your Voting screen to refresh the browser

The screenshot shows a web interface with two tabs: "Voting" (active) and "Registration Details". Below the tabs is a large empty box. In the top right corner of this box is a button labeled "Check for New Meetings". Below the box, there is a text prompt: "Select a committee and meeting date and then click Retrieve button. If an item is open for voting, it will appear below." Underneath this prompt are two dropdown menus: "Committee:" with "MC" selected and "Meeting Date:" with "08/23/2023" selected. To the right of these dropdowns is a "Retrieve" button.

- If you have issues while voting, raise your hand in WebEx to signal for assistance, send a chat to all participants noting your need for help, or hit \*6 to unmute your line and request assistance from Voting Support
