Re: September 20, 2021 Liaison Committee Meeting Agenda

Dear Mr. Takahashi and the PJM Board of Managers:

On behalf of the Members of PJM, the sector representatives of the Liaison Committee thank you for your August 30, 2021 letter regarding our upcoming LC meeting. We appreciate the PJM Board of Managers' ("Board") feedback regarding our proposed topics. Accordingly, the LC sector representatives are pleased to provide the following agenda for our September 20, 2021 meeting.

I. Welcome and Introductions (10 minutes)

II. Auction Revenue Rights and Financial Transmission Rights Reforms (30 minutes)

Sector representatives will provide their sectors' perspectives on ARR and FTR market reforms.

Sector representatives look forward to providing twenty minutes of opening statements with an additional ten minutes reserved for discussion with the Board.

III. The Federal Energy Regulatory Commission's recently issued Advance Notice of Proposed Rulemaking on Transmission Planning, Cost Allocation, and Generator Interconnection (75 minutes)

Sector representatives will offer perspectives on the recent Advance Notice of Proposed Rulemaking (ANOPR).

For the purpose of organizing conversation on this broad topic, we propose to divide the conversation into two parts. First, sector representatives look forward to providing seventeen and a half minutes of opening statements on aspects of the ANOPR related to generator interconnection, with an additional twenty minutes reserved for discussion with the Board. Then, sector representatives look forward to providing another seventeen and a half minutes of prepared statements on aspects of the ANOPR related to transmission planning, with an additional twenty minutes reserved for discussion with the Board. Sector

representatives may also use their remarks to address areas of interest in the ANOPR that do not fit neatly within or transcend either subcategory.

IV. December General Session Topics and Closing Remarks (5 minutes)

In brief closing remarks, the LC Chair will offer some potential topics identified by the PJM Members for exploration at the December General Session.

The LC sector representatives value the opportunity to discuss these timely and important topics with the Board on behalf of the Members and look forward to a productive and enjoyable LC meeting.

Sincerely,

Becky Robinson
