- Applies actionable items only (first reads and endorsements); not applicable to informational items, education, reports, and other non-actionable items
- No Stated Remedy perceived as a guideline for proceed at your own risk.
- For accepted agenda item the following conditions must be met:
 1. The request for the agenda item must be received on a timely basis
 2. Supporting materials for the agenda item must be received on a timely basis
- If the request for an agenda item or the material(s) for an agenda item are received after the deadline for being an accepted agenda item but prior to PJM's internal deadline for finalizing the agenda, the item shall be listed as a provisional agenda item subject to a vote to amend the agenda at the start of the meeting.
 - Committee will vote to amend the agenda with provisional items received after the proposed timeline
 - Should a provisional agenda item receive preferential treatment over requests for agenda items that are received at the start of a meeting? Possibly the provisional agenda item should require a simple majority but any request received after the initial agenda item is posted should require 2/3rds
 - Amendments prior to the meeting start - 50% threshold; after meeting starts - 2/3 thirds threshold
