

## **MIC Special Session: Stability Limit in Markets and Operations Monthly Progress Report**

April-May MIC Update

### **1. MIC Special Session: Stability Limit in Markets and Operations**

#### **Issue Status**

- a. Committee is brainstorming solution options.

#### **Target Completion**

June 2020

#### **Progress Update**

- a. Joe Ciabattone provided an update on PJM's position and provided additional education.
- b. Catherine Tyler, Monitoring Analytics reviewed the capacity constraint joint package.
- c. Stakeholder had several questions regarding the current rules and implementation of the capacity constraint joint package. The committee decided to continue discussion at a single MIC Special Session scheduled for June 23, 2020 which will focus on additional education on this issue. Conversation on this topic will then resume at the regularly scheduled MIC meetings.
- d. Lisa Morelli requested that stakeholders provide additional solution options and packages in advance of the next meeting.
