

MIC Special Session: Transparency in PAI Settlements Monthly Progress Report

10/26/2020

1. MIC Special Session: Transparency in Performance Assessment Interval (PAI) Settlements

Issue Status

- a. Education was provided at two Special Session meetings. Discussion on this topic will resume at the full MIC meeting on November 5, 2020.

Target Completion

January 2021

Progress Update

- A. Lisa Morelli provided a review of the Issue Charge and Problem Statement, and PJM Staff presented education on the PAI Settlements process during the first meeting on September 23, 2020.
- B. During the October 1, 2020 meeting, PJM staff answered questions regarding the education presented in the first meeting. Danielle Croop provided education on how reserves are accounted for in Actual Performance. Susan Kenney reviewed portions of governing documents that have been identified thus far as requiring clarification or further transparency.
