</tbody>
</table>

- Revised Introduction to reflect new changes made to the manual prompted by the changes to the Merchant Network Upgrade process
- Moved the previous Sections 1, 2 & 3 to the Attachments portion of the manual and made updates to reflect the current PJM Tariff structure
- Added a new Section 1 to explain the different Transmission and Upgrade project and customer
types

- Added a new Section 2 to provide an overview of Transmission Interconnection Customers that are proposing Merchant Transmission Facilities
- Added a new Section 3 to provide an overview of Transmission Interconnection Customers that are proposing capability increases to specific Transmission Owner Facilities
- Added a new Section 4 to provide an overview of Upgrade projects
