Part of the Emergency Operations Periodic Review Team (Project 2015-02) performed a comprehensive review of a subset of Emergency Operations Standards (EOP-004, EOP-005, EOP-006 and EOP-008) to evaluate, for example, whether the requirements are clear and unambiguous. The Periodic Review included background information, along with any associated worksheets or reference documents, to guide a comprehensive review that resulted in the following recommendations:

**EOP-004-4 v1**  
Revise the standard to remove mention of weekends and now just says by the end of next business day

EOP-004 has a separate Ballot and Commenting period from the other EOP standards that were reviewed
