### Impacted Manual sections:
6.1.3.2

### Reason for change:
M14C revisions incorporate requirements relevant to the new minimum design standards for Designated Entities which were developed by the Designated Entity Design Standards Task Force

### Summary of the changes:
- Designated Entities must follow posted minimum design standards developed by the Designated Entity Design Standards Task Force
- Minimum Design Standards will be posted on PJM’s website
- Applicable technical standards for Transmission Owners, applicable to transmission interconnections, must be posted on PJM’s website.
