

9.5 Motion Amendments

During discussion of the Main Motion, any Member may move an amendment germane to it in the form of an Alternate (amended or substitute) Motion. Alternate Motions must be germane to the specific issue and must have been related to a discussion area that was vetted in the earlier CBIR process. If not, the issue must be considered new and determination of how to address the issue shall be decided by following the rules established in section 6.3. If Alternate Motions are not timely published⁵, the group may defer the issue by a two-thirds sector-weighted vote to a subsequent meeting. The group shall consider whether information presented as the Main Motion created the need for late publication of the alternative when considering whether to defer discussions on the Alternative Motion. The committee, by a two-thirds sector weighted vote may defer both the Main Motion and the Alternate Motion to the next meeting if additional discussion time is warranted

9.5.1 Other Motions (Members Committee Only)

In situations where a new issue properly belongs at the Members Committee (MC), and does not belong at any subordinate committee or other PJM stakeholder group, a Member may make a motion at the MC. The motion must be in the form of a Problem Statement and Issue Charge following the rules as established in M34 Section 6.3 including the applicability of the criteria for exemption from such requirements.

⁵ Truncated voting rules apply at the Senior Standing Committees. In truncated voting, voting is conducted in motion voting order according to Section 9.7 and if a proposal is endorsed, the remaining alternates are not voted upon. In the situation where a proposed alternative solution is deferred in accordance with this section and the main motion is not deferred, a
