

# Discussion Topic

## BACKGROUND

### Topic Name

MC Start Time

### Original Driver / Issue to Discuss

The SPF should discuss potentially providing additional flexibility to move the start time of the PJM Members Committee up when the MRC ends early. In cases where the MRC runs long, the flexibility already exists to delay the start of the MC meeting. The goal would be to increase efficiency for the membership and PJM staff.

### Sponsor / Subgroup

MC Vice Chair Sharon Midgley

## RECOMMENDATION

### Proposed Changes

Allow MC Chair and Secretary the discretion to advance the start of the MC meeting. This can be done in advance or day of if deemed appropriate.

### Implementation / Target Date

After the change has been properly communicated to the membership.  
Target Q2 2023.
