Screen Layout/Changes

**Resource Position/LDA Summary Screen**
- Start/Stop Date columns added
- Subtotal (sum of MW) added to LDA for all resources within
- Filter options remain as today (ie. Date/Capacity Type)
User Feedback and functionality

Feedback: Users will have the ability to filter within column headers.
<table>
<thead>
<tr>
<th>Right Click</th>
<th>Right click expand/collapse all on a LDA Summary screen</th>
</tr>
</thead>
</table>

Feedback:
Users will have the ability to right click
Feedback: Certain columns will be able to sort by numeric value.
