- End Date
• Integrating with PJM’s Single Sign-On
  – Resolves delay between account changes and access to connect.pjm.com
  – Unifies the login experience across PJM’s applications

• New user interface
  – Visually aligns with the Windows 10 desktop operating system
  – Streamlines menu options, responds to user interactions, and presents actions only when needed
Currently, connect.pjm.com prompts users for their accounts via the web browser.

Ex. Google Chrome

The server connect.pjm.com is asking for your user name and password. The server reports that it is from dmz.
