Member Community Refresh

- Based on feedback refreshing Member Community
  - "Make Communities look different so that you can differentiate which one you are on"
  - "Finds layout to be scattered and confusing"
- Navigation and Look/Feel
  - Simplifying navigation items
  - Updates to easily identify with Member Community vs other PJM communities

### Member Community Refresh

- Content Layout
  - Re-organization of home page for easy access to specific areas
  - Improvements to Knowledge Article section for easy viewing, searching and access to similar topics
  - Updates to Case views and email templates
- Demonstration: March Tech Change Forum meeting
- Feedback can be sent to <u>TechChangeForum@pjm.com</u>

- Existing Principal Agent Declaration of Authority (DOA) form lives in the Member Community
- DOA will move to the Membership Management Community
  - This will allow Maintenance Managers, Authorized Representatives and Officers of the company to fill out DOAs for all their associated companies.
- Production Go-Live: February

## Market Participant Application in Maintenance

- Application available for new member applications since November, 2020.
- Updates made to allow existing members in the Maintenance area of Membership Management Community to start application.

### Access to Communities

#### **Registration Format**

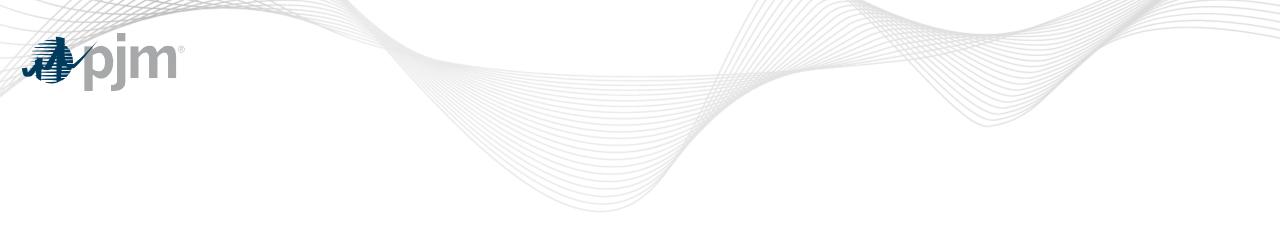

- Request access to secure area
- Available on previous registration locations

#### **Username Limitation**

- Users with multiple usernames must choose one username
- Access to communities is based on the contact and not their company so requesting access to multiple usernames is not permitted
- User must be logged in to PJM.com with the username they would like to access the community with when requesting access

#### User Access

 PJM Members requesting access to any community is automatically granted access to all communities by default

# **Product Details**

### **Member Community**

The <u>Member Community</u> allows members to find answers to their questions, get the information they need when they need it, and resolve issues quickly and efficiently.

## **Key Product Features**

- Research topics quickly and easily
- Submit questions, issues and requests to PJM
- Track the real-time status of your requests
- Initiate various processes for demand bid, generation transfers, etc.

**Tech Change Community** 

The <u>Tech Change Community</u> allows users to find information and collaborate with other users and PJM subject matter experts about PJM's tools and initiatives. Discussions are based on topics covered within the monthly Tech Change Forum meetings.

## **Key Product Features**

- Moderated discussion boards
- Research topics quickly and easily
- Submit questions, issues and requests to PJM

**Planning Community** 

The <u>Planning Community</u> will allow Transmission and Generation Owners to find information and collaborate with other users and PJM subject matter experts about Planning initiatives, proposal windows and process questions. Discussions are based on Planning topics.

## **Key Product Features**

- Moderated discussion boards
- Research topics quickly and easily
- Submit questions, issues and requests to PJM

The <u>Membership Management Community</u> will allow companies to submit application information for PJM membership and maintain member level contact information.

# **Key Product Features**

- My Membership
  - Track the real-time status of your membership application
