Legend
- ● Start Date
- ◆ End Date

- eDART XML Forum on March 15

With the eDART refresh, management of eDART accounts will be migrated to Account Manager.

- ETA: 2022 Implementation

- Account Manager will be used for all new eDART account requests

- Plans currently underway to:

  – Review existing eDART accounts and update email addresses

  – Clean up dormant and invalid accounts

  – Develop communications for users

- The Phase 1 transition to PJM CLI Integration releases:
  - Train: March 31
  - Production: April 14
- Phase 2 consists of minor enhancements and fixes
- An updated User Guide and training will be provided for each phase
  - To be posted on eDART tool and eDART XML Documents pages as appropriate.
- The filetransfer.jar and legacy URLs will be retired in December 2021
