

Hello,

Thank you for the opportunity to submit issues for IPSAC consideration. Attached are copies of a report and presentation we recently completed examining the need for and benefits of greater interregional transmission between MISO and PJM, as well as policy solutions for addressing that need. The report can also be found at the following link:

<https://acore.org/wp-content/uploads/2023/11/ACORE-Billions-in-Benefits-A-Path-for-Expanding-Transmission-Between-MISO-and-PJM.pdf>

Thank you,
Michael Goggin
