

Start Cost Update

Nicole Scott

Manager

PJM - Transmission Operations

- FERC has accepted the Start-Up Costs and Emission Adder filing
- Generators will be required to use their currently approved unit specific parameter start time values and the Soak Time defaults in M15 for the calculation of Start Cost. Units that need an adjustment to the unit's currently approved unit specific start time or M15 Soak Time Defaults must submit an adjustment request to unitspecificpls@pjm.com by February 28, 2023.
- There will be a Start Cost education session on **March 13th 3:00 – 5:00 pm** after the Tech Change Forum
