COST DEVELOPMENT SUBCOMMITTEE

Dear Subcommittee Members:

RATE FOR COSTING STATION SERVICE ELECTRICAL REQUIREMENTS DURING UNIT START-UP

The new rate for costing station service electrical requirements during unit start-up has been changed from \$17.26/MWh to **\$19.36/ MWh**. Please use this rate in all unit start cost calculations during the **Second Quarter of 2021**. This rate was obtained by calculating the average off-peak LMP for the 12-month period from March 2020 through February 2021.

Sincerely,
Heather Reiter
