**COST DEVELOPMENT SUBCOMMITTEE**

Dear Subcommittee Members:

**RATE FOR COSTING STATION SERVICE ELECTRICAL REQUIREMENTS DURING UNIT START-UP**

The new rate for costing station service electrical requirements during unit start-up has been changed from \$23.25/MWh to **\$21.13/MWh**. Please use this rate in all unit start cost calculations during the **Second Quarter of 2020**. This rate was obtained by calculating the average off-peak LMP for the 12-month period from March 2019 through February 2020.

Sincerely,  
Jennifer Warner-Freeman
