DER and Inverter-based Resources Subcommittee WebEx Only November 22, 2021 10:00 a.m. – 3:00 p.m. ET

### Administration (10:00 - 10:10)

- 1. Scott Baker opened the meeting and reviewed the agenda.

### Order 2222 – Staff input on compliance proposal (10:10 – 12:00)

- 3. Discussion on the functional roles of "Market Agent" and "Dispatch Agent" in the DERA operational coordination model.
  - a. Donnie Bielak, PJM, provided additional thoughts on how these roles will be implemented by reviewing the proposed operation coordination model. Donnie emphasized that PJM does not intend to define 'Market Agent' and 'Dispatch Agent' in the Tariff as part of the compliance filing and reviewed several other thoughts on the implementation of roles.
  - b. Bruce Campbell, CPower, provided input on the role of the Dispatch Agent highlighting that CPower supports a properly designed dispatch agent (DA) construct.
- 4. Thomas DeVita, PJM, discussed proposed Tariff language around categories of DER registration data.
- 5. Madelyn Beban, PJM, reviewed updates to use cases based on stakeholder feedback.
  - a. Maddie discussed use case updates, high-level overview of outline for use cases, homogeneity vs heterogeneity in different DERA levels and walked through use case 1, 2 and 3.

#### Order 2222 – Stakeholder feedback on compliance proposal (12:30 – 2:45)

- 6. Danielle Croop, PJM, will reviewed a small number of changes made to the compliance proposal since the last meeting.
  - a. Danielle reviewed DER terminology on slide 9 that will be implemented into the PJM Tariff, proposed data requirements for Planning on slide 20, annual verification of DER aggregation modeling on slide 21, registration data on slide 134 and Market Participation agreements on slide 25
- 7. Danielle reviewed current thinking on implementation timing for the DERA Market Participation Model and took stakeholder comments on this implementation timing. Danielle stated that expected implementation date is 2025/2026 or earlier, if feasible.

#### Antitrust:

You may not discuss any topics that violate, or that might appear to violate, the antitrust laws including but not limited to agreements between or among competitors regarding prices, bid and offer practices, availability of service, product design, terms of sale, division of markets, allocation of customers or any other activity that might unreasonably restrain competition. If any of these items are discussed the chair will re-direct the conversation. If the conversation still persists, parties will be asked to leave the meeting or the meeting will be adjourned.

#### Code of Conduct:

As a mandatory condition of attendance at today's meeting, attendees agree to adhere to the PJM Code of Conduct as detailed in PJM Manual M-34 section 4.5, including, but not limited to, participants' responsibilities and rules regarding the dissemination of meeting discussion and materials.

#### **Public Meetings/Media Participation:**

Unless otherwise noted, PJM stakeholder meetings are open to the public and to members of the media. Members of the media are asked to announce their attendance at all PJM stakeholder meetings at the beginning of the meeting or at the point they join a meeting already in progress. Members of the Media are reminded that speakers at PJM meetings cannot be quoted without explicit permission from the speaker. PJM Members are reminded that "detailed transcriptional meeting notes" and white board notes from "brainstorming sessions" shall not be disseminated. Stakeholders are also not allowed to create audio, video or online recordings of PJM meetings. PJM may create audio, video or online recordings of stakeholder meetings for internal and training purposes, and your participation at such meetings indicates your consent to the same.

#### Participant Identification in Webex:

When logging into the Webex desktop client, please enter your real first and last name as well as a valid email address. Be sure to select the "call me" option. PJM support staff continuously monitors Webex connections during stakeholder meetings. Anonymous users or those using false usernames or emails will be dropped from the teleconference.
