

Training Liaison Roster Verification

Dispatcher Training Subcommittee
September 17, 2024

To ensure that all companies maintain a current student roster per [PJM Manual 40, Certification & Training Requirements](#), PJM is requesting each company validate their student roster on an annual basis

Companies with at least 1 operator subject to PJM Manual 40

- Process
 - SharePoint
 - Training Liaison (TL)/Alternate Training Liaison (ATL)
 - Access to only your company roster
 - Only 1 TL/ATL must complete the roster verification for your company
 - Sign-off on task
- Beta Phase
 - Test and verify access
 - Conduct roster verification and provide feedback
 - Beta Phase companies will be contacted prior to the October DTS meeting
- Full rollout
 - Transmission Companies complete by end of 2024
 - Generation and CSP in early 2025
