

SOS Charter Second Read

Paul Dajewski
Sr. Lead Reliability Engineer
November 7, 2019

- Changed references of SOS-G/T to SOS-J
- Shortened references to SOS/SOS-T to acronyms
- Changed ordering of responsibilities for better alignment
- Removed references to retired task forces/initiatives
- Responsibility 12 now reflected as a Joint task since fuel inventories would be discussed at SOS-J
- Updated responsibility 14 terminology for remedial action schemes
- Incorporated SIS responsibilities into SOS
 - Responsibility 3 – Telecom procedures like M1/M14D
 - Responsibility 5 – Communication infrastructure like ICCP links/Telemetry
 - Responsibility 10 – SynchroPhasors
 - Responsibility 18 – EMS data resilience guidelines

- SOS-J/SOS-T First Read – 10/10/2019
- SOS-J/SOS-T Second Read and approval – 11/07/2019
- Seek SOS Charter approval at the OC – 11/12/2019
