## Biddable Points for Virtual Transactions

Keyur Patel

Sr. Lead Engineer, Day-Ahead Market Operations

Energy Market Uplift Senior Task Force

May 05, 2016

- Increment offers and decrement bids can be submitted at any hub, transmission zone, aggregate, single bus or eligible external interface point for which an LMP is calculated.
- UTC bids can be submitted on 431 nodes which were determined based on criteria mentioned in section 1.10.1A of tariff.

# Biddable Points for Virtual Transactions in ISO/RTOs

ISO/RTO	INC/DEC Location	UTC Location
PJM	Resource, <b>Load</b> , Zone, Hub, Interface, <b>EHV nodes</b>	Subset of nodes Where LMP is published (~431)
ISONE	Resource, <b>Load</b> , Zone, Hub, Interface	Hub, Interface
MISO	Resource, Zone, Hub, Interface	No UTC Product
ERCOT	Resource ,Zone, Hub, Interface	Resource ,Zone, Hub, Interface
SPP	Resource, Zone, Hub, Interface	No UTC Product
CAISO	Resource, <b>Load</b> , Zone, Hub, Interface, Scheduling Points	No UTC Product
NYISO	Zone	No UTC Product
