

UNITED STATES OF AMERICA
FEDERAL ENERGY REGULATORY COMMISSION

PJM Interconnection, L.L.C.

Docket Nos. ER21-1635-005
EL21-91-003

NOTICE OF DETERMINATION BY THE CHAIRMAN

(April 12, 2024)

Take notice that Willie Phillips, acting as Motions Commissioner pursuant to Rule 715 of the Commission's Rules of Practice and Procedure, has determined that the Settling Parties¹ have failed to demonstrate extraordinary circumstances in accordance with Rule 715(c)(5) of the Commission's Rules of Practice and Procedure, 18 C.F.R. § 385.715(c)(5) (2023), that would make prompt Commission review of the contested rulings necessary to prevent detriment to the public interest or irreparable harm to any person. Accordingly, the Motions Commissioner will not refer to the full Commission the interlocutory appeal filed by the Settling Parties. The decision not to refer should not be viewed as a ruling on the merits of the contested issues.

Debbie-Anne A. Reese,
Acting Secretary.

¹ The Settling Parties include American Municipal Power, Inc., Dynegy Marketing and Trade, LLC, Hazleton Generation LLC, J-POWER USA Development Co., Ltd., LS Power Development, LLC, Old Dominion Electric Cooperative, PJM Interconnection, L.L.C., PJM Industrial Customer Coalition, and Vistra Corp.
