

OASIS Customer Notification about scheduling over DST (Daylight Saving Time)

March Transition: EDT

The switch reflects the Eastern Interconnections change from GMT-5 hours to GMT-4 hours. Therefore, to properly request an OASIS hourly reservation at this time, hour 01:00ES changes to hour 02:00ED. The PJM OASIS will be updated to transition successfully forward. Daily requests have a minimum restriction of 24 hours, and since the switch is perceived by the system as a 23 hour day, this restriction has been temporarily lifted to allow proper daily requests. Please update your IT applications/tools accordingly.

November Transition: EST

The switch reflects the Eastern Interconnections change from GMT-4 hours to GMT-5 hours. Therefore, to properly request an OASIS hourly reservation at this time, hour 02:00ED changes to hour 01:00ES. The PJM OASIS will be updated to transition successfully forward. Daily requests have a minimum restriction of 24 hours, and since the switch is perceived by the system as a 25 hour day, this restriction will be temporarily lifted to allow proper daily requests. Please update your IT applications/tools accordingly.

Any comments or issues can be directed to the OASIS hotline at 610-666-8972 during normal business hours.

If you are scheduling a NERC tag, you have the option of using two tags for a single OASIS spanning the time change:

<p>March NERC tagging:</p> <ol style="list-style-type: none"><i>1. Schedule the first tag in Eastern Standard, for hours 00:00-01:00.</i><i>2. Change your options to ED time zone.</i><i>3. Schedule the second tag in Eastern Daylight, for hours 02:00-00:00.</i>	<p>November NERC tagging:</p> <ol style="list-style-type: none"><i>1. Schedule the first tag in Eastern Daylight, for hours 00:00-02:00.</i><i>2. Change your options to ES time zone.</i><i>3. Schedule the second tag in Eastern Standard, for hours 01:00-00:00.</i>
