

PJM Outage Acceleration Program
Outages Scheduled for June 2018

There are two outages scheduled to begin in June 2018 that exceed five days in duration and are projected to result in \$500,000 or more of FTR revenue inadequacy. The outages below are eligible for the PJM Outage Acceleration Program.

Ticket	Zone	Start Date	End Date	Volt	Equipment
724257	BC	06/04/2018 04:00	06/22/2018 16:00	230 kV	NORTHWES 230-2 XFORMER

The projected revenue inadequacy does not consider the impact of operating actions that have not yet been identified but may be developed and employed to reduce the required off cost generation during the above outages. Market participants may submit a request for acceleration to the PJM OASIS hotline at (610) 666-8972 or PJM Outage Acceleration e-mail distribution list address: outage_acceleration_group2@pjm.com
