

PJM Outage Acceleration Program
Outages Scheduled for September 2019

There are six outages scheduled to begin in September 2019 that exceed five days in duration and are projected to result in \$500,000 or more of FTR revenue inadequacy. The outages below are eligible for the PJM Outage Acceleration Program. Market participants have until the end of 7/22/2019 to submit a request for acceleration.
