

**PJM Outage Acceleration Program**  
**Outages Scheduled for January 2020**

There are two outages scheduled to begin in January 2020 that exceed five days in duration and are projected to result in \$500,000 or more of FTR revenue inadequacy. The outages below are eligible for the PJM Outage Acceleration Program. Market participants have until the end of 11/22/2019 to submit a request for acceleration.

Ticket	Zone	Start Date	End Date	Volt	Equipment
752484	AEP	12/30/2019 08:00	1/24/2020 16:00	138 kV	SAUKTR - ONTWA
752515	AEP	1/27/2020 08:00	3/6/2020 16:00	138 kV	GRANGER - ONTWA

The projected revenue inadequacy does not consider the impact of operating actions that have not yet been identified but may be developed and employed to reduce the required off cost generation during the above outages. Market participants may submit a request for acceleration to the PJM Outage Acceleration e-mail distribution list address: [outage\\_acceleration\\_group2@pjm.com](mailto:outage_acceleration_group2@pjm.com) or call 610-666-4342.
