

**PJM Outage Acceleration Program**  
**Outages Scheduled for March 2022**

There are five outages scheduled to occur in March 2022 that exceed five days in duration and are projected to result in \$500,000 or more of FTR revenue inadequacy. The outages below are eligible for the PJM Outage Acceleration Program. Market participants have until the end of 1/24/2022 to submit a request for acceleration.

| Ticket   | Zone   | Start Date       | End Date         | Voltage | Equipment  |
|----------|--------|------------------|------------------|---------|--|

\*outage has been rescheduled since the initial posting

The projected revenue inadequacy does not consider the impact of operating actions that have not yet been identified but may be developed and employed to reduce the required off cost generation during the above outage. Market participants may submit a request for acceleration to the PJM Outage Acceleration e-mail distribution list address: [outage\\_acceleration\\_group2@pjm.com](mailto:outage_acceleration_group2@pjm.com) or call 610-666-4342.
