Dear Mr. Shparber:

On October 11, 2016, PJM Interconnection, L.L.C. (PJM) filed proposed revisions to its Open Access Transmission Tariff, its Amended and Restated Operating Agreement, and its Reliability Assurance Agreement among Load Serving Entities in the PJM Region (RAA) that had been originally filed in Docket No. ER17-1737-000 to correct, clarify, and/or make consistent certain definitions contained within the PJM governing documents.¹ However, the definition of “capacity import limit” in the RAA contained language that was previously rejected by the Commission.²
