PJM Interconnection, L.L.C.
Docket No. ER17-1372-000

Issued: 5/17/17

PJM Interconnection, L.L.C.
2750 Monroe Blvd
Audubon, PA 19403

Attention: Jacquelynn B. Hugee, Esq.
Associate General Counsel

Reference: Governing Documents Corrections and Clarifications

Dear Ms. Hugee:

On March 31, 2017, PJM Interconnection, L.L.C. (PJM) filed revisions to the PJM Open Access Transmission Tariff (Tariff), Amended and Restated Operating Agreement of PJM Interconnection, L.L.C. (Operating Agreement), and Reliability Assurance Agreement Among Load Serving Entities in the PJM Region (RAA) (collectively, the Governing Documents).¹ PJM states that the numerous non-substantive, clerical, ministerial, and substantive revisions are being submitted to correct, clarify and/or make consistent certain provisions contained in the Governing Documents.

Pursuant to the authority delegated to the Director, Division of Electric Power Regulation – East, under 18 C.F.R. § 375.307, your submittal is accepted for filing, effective June 1, 2017, as requested.

The filing was noticed on April 3, 2017, with comments, interventions, and protests due on or before April 21, 2017. Pursuant to Rule 214 (18 C.F.R. § 385.214 (2016)), to the extent that any timely filed motions to intervene and any motion to intervene out-of-time were filed before the issuance date of this order, such interventions are granted. Granting late interventions at this stage of the proceeding will not disrupt the proceeding or place additional burdens on existing parties.

¹ See Appendix A.

This acceptance for filing shall not be construed as constituting approval of the referenced filing or of any rate, charge, classification, or any rule, regulation, or practice affecting such rate or service contained in your filing; nor shall such acceptance be deemed as recognition of any claimed contractual right or obligation associated therewith; and such acceptance is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against PJM.

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Sincerely,

Kurt M. Longo, Director
Division of Electric Power
Regulation – East
